To anyone who is looking to purchase or to sell a home:

First, I would like to say thank you to Linda, Leon, Eugenia, and Perla for helping us purchase a property at Fremont, California.

We were very fortunate to meet Linda and her team at one of their open houses. Linda helped us narrow down our selection from a wide range of homes in different areas that we liked. She was very flexible to our needs and requirements, and always went out of her way to accommodate our schedule. Her advice and knowledge was invaluable in helping us find the right house at the right time.

Linda was always quickly responsive throughout the transaction process and was able to work with the listing agent, the loan agent, and the title effectively. She always made sure all involved parties are fully informed and the process is moving along accordingly. During escrow, she was pro-active in dealing with our mortgage agent and the title company to ensure that escrow closed in a timely manner. Even through the most stressful and unforeseen circumstances, she has never faltered in showing professionalism and patience, and always looked out for the best interest of the client.

I would recommend Linda to anyone looking for a home as buying a home is a huge decision in anyone's life. It is important that you have the right agent working for you.

Many thanks to Linda, Leon, Eugenia, and Perla for the smooth transaction.
