

**- Highly likely to recommend**

Sold a Townhouse home in 2012 in Cameron Hills, Fremont, CA.

**Summary:**

Linda sold our house for us after we moved out of state. She and her husband were very hard working, had very reasonable fees, and kept us very informed. They made sure the staging looked very good, and in general were very professional. Selling a house at a distance in this market can be frustrating, but they stayed on top of the process and got it done. We would definitely recommend Linda and her husband.
