Sold a Single Family home in 2011 for approximately \$1500k in Cameron Hills, Fremont, CA.

Summary:

Linda is extremely knowledgeable when it comes to real estate, particularly in the Mission San Jose, Fremont area. We are fortunate that we chose to work with her. There are a lot of realtors to choose from, but few realtors work as hard as Linda. While most high-end homes in the area are still on the market, our property sold in 4 weeks. And we had several offers. My husband and I are very grateful.
