

- Highly likely to recommend
Bought a home in 2011.

Summary:

We are so glad we can meet Linda and choose her as our agent. She is very professional, knowledgeable and kindness. Linda and her husband help us to visit a lot of houses and finally we found the one we wanted. She also helped us negotiate the price, recommend loan agent and refer contractors, etc. If you want to buy or sell house, we

highly recommend Linda.
