

- Highly likely to recommend

Sold a Single Family home in 2011 in Kimber/Gomes, Fremont, CA.

Summary:

My wife and I are very happy we chose Linda Young as our agent, she has by far surpassed our expectations. We interviewed 2 other agents before Linda and after meeting Linda we hoped that she could take care of our wants and needs, and she has. We have recommended Linda and her husband Leon to 3 of our neighbors to help them sell their homes. Our neighbors have been our friends for the past 23+ years and we do not take recommendations lightly. We would and will eagerly recommend Linda to any seller or buyer of homes, she's great, we owe her a huge Thank You. Sincerely, Michael & Virginia Gorski
