

- Highly likely to recommend

Bought a Single Family home in 2009 for approximately \$600k in Mission San Jose, Fremont, CA.

Summary:

We were on the market to buy our first home. Our loan agent recommend Linda. After a brief interview we decided to go with her. We were pretty impressed by her local knowledge in the Mission Area especially around schools and neighborhoods. Be the first time home buyer, Linda gave us a big help. We are very appreciate.
