

- Highly likely to recommend
Bought a home in 2009.

Summary:

We had a great experience with Linda Young as our agent. She helped us find our dream house in Fremont. She was keen to our needs and was patient in helping us to identify the pros and cons of different properties. Linda is very professional and has extensive knowledge of the market in Bay area. During the process, she worked closely with the seller agent and the loan agent and resolved a couple of issues. We highly recommend Linda without any reservation.
