

- Highly likely to recommend

Bought a Single Family home in 2011 for approximately \$875k in Mission Valley, Fremont, CA.

Summary:

Linda is just awesome. She just helped us buy a 4 bedroom house in the Mission area. She made the whole process so smooth for us. She had all the required knowledge and advised us very well. She has been doing this for very long and really knows the Mission area. She is very communicative and was a great pleasure to work with. She is also has a good repertoire with other agents in the area and this really helped in our case since she could negotiate the terms very smoothly with the seller agent. I would highly recommend her to anyone in the Fremont area.
