

- Highly likely to recommend  
Bought a Single Family home in 2010 for approximately \$800k in  
Kimber/Gomes, Fremont, CA.

**Summary:**

I recently bought a property through Linda Young in Mission San Jose district. The service that I received from Linda was very professional at every step of the processes.

Linda always provides me with her good honest advice on giving offers to properties in this area based on her solid local knowledge. She had also kept us constantly updated on the closing progress, worked with all agents (of mortgage loaner and title company) to speed up the signing processes and was very helpful answering our questions. 5 star service.

I would highly recommend Linda Young to anyone who would like to buy or sell the property in this area.
