

**Sold a Single Family home in 2012 in Union City, CA.**

**Choosing Linda Young of Elite Realty as my realtor was one the best decisions I made when I decided I wanted to sell my house. She helped me understand the process when I had major doubts. She was always available to answer any questions or concerns I had. With Linda's advice and expertise, we set a sale date. After the date was set, she and her team began preparing my home for showing. It was incredible how they enhanced an already lovely home. Then, on schedule, the house went on the market. Linda and her team took care of everything! My house sold within 5 days. If you really really want expert advice on how and when to sell your home, I would without any hesitation, recommend Linda Young and Elite Realty.**
