Sold a home in 2012.

Summary:

Linda & Leon (Elite Realty) are absolutely the BEST!

We'd started with another Realtor and the results was un-satisfactory, only one low-ball offer (maybe it was the timing) We hired Linda & Leon...they seemed to know the area, shared our enthusiasm for our property. Set-up the cleaning and staging at their cost. Truly advised us on a direction to take, excellent advise. The results was very positive...with multiple offers and negotiations the Home was sold in just a few weeks. This was a 45 year, Family owned Home...Leon & Linda seemed to understand the emotion and value of our Home, and presented it that way. This was not just a structure...it was and will be a Home...the new Family will certainly enjoy it's value. Our home was obviously not one of Linda & Leon's highest priced sales but they both made us feel as if we had a million dollar piece of property to sell. Their enthusiasm helped us to stay positive and motivated through the whole process. If we ever have a Real-estate venture again...without a doubt we'll call Linda & Leon! Thanks Glenn & Patty Cahoon
