Ms. Linda sold my house in Fremont Mission District in March , 2010.

She is an excellent agent. From the very beginning we knew that we picked the right person. She has in-depth knowledge of the market and brings us very valuable suggestions.

She did excellent job on preparing the house to go to market, fixing the already known problems, cleaning up the yard and a fabulous staging! It took her only one week to bring us multiple offers.

She always has her clients' best interest at heart. She is also an exceptional negotiator. In addition, she is always ready to go an extra mile to get the job done.

I recommend her to anyone who wants to buy or sell real estate. I myself will certainly use her service agin and again.
